

REDMOND SELECT BOYS' BASKETBALL

GYMNASIUM GUIDELINES

2009/2010

To RSBB Players and Parents,

The RSBB program is extremely fortunate to use designated elementary schools in LWSD along with Redmond Jr. High, Evergreen Jr. High, Redmond High, Redmond Athletic Club, and Home Court in Woodinville. To remain in strong standing with the LWSD, Redmond Athletic Club, and Home Court, it is imperative that we respect each facility so that RSBB is invited to return to these gyms in successive seasons.

Please review the gymnasium guidelines with your son, with the understanding that abiding by them creates a safe environment as well as maintaining each facility by keeping them clean.

The following guidelines are consistent for all facilities

- ◆ No food or drinks allowed in gyms, in addition, **RJH** does not allow gum;
- ◆ Water bottles are allowed;
- ◆ Siblings attending practices/games must remain on the sidelines and supervised by a parent or adult;
- ◆ Players will remain outside the gym until it is cleared for RSBB use. LWSD and Home Court activities precede RSBB activities and on occasion can run over time; if so, RSBB players will continue to wait until the gyms are cleared;
- ◆ Players, parents and siblings are not allowed in any other part of each facility during practices and/or games. Doing so can trigger an alarm or create an unsafe environment.
- ◆ **Everyone cleans up.** All parents, players, and coaches will pick up water bottles, clothing, etc., after each use.

****RSBB WILL LEAVE ALL FACILITIES IN OUTSTANDING CONDITION AT THE END OF EVERY PRACTICE AND GAME.****
